

## Dra. Mariola Macías Award

The Phytochemical Society of Europe is delighted to announce the Award in the memory of Dra. Mariola Macías, an excellent professional, an emergency doctor, a Doctor in Immunology and above all, a great person. She worked intensively not only in clinical functions but also in research against Covid19 and was passionate about Natural Products.

### Criteria for the Award:

- Age <35 years
- First author in a publication in the field of Natural Product Sciences in a Q1 journal (publishing date 2021 –2023)
- Nomination by a **person other than the interested part**

### Applications must include:

- A 1-2 pages Curriculum Vitae of the candidate
- An electronic file of the publications
- A letter of support by the person who is nominating the candidate

The PSE committee will assess the submissions and select the awardee before **the end of April 2023**.

### The Award will include:

- Diploma of recognition.
- A free registration at the 2023 Young Scientists Meeting of PSE in Paris (28th-30th June 2023).
- The winner will be invited to deliver an oral presentation of her/his work at the 2023 Young Scientists Meeting of PSE in Paris
- €350 in cash.
- PSE membership for 3 years.

### Awardees 2022

1. Simon Vlad Luka, Technical University of Munich, Germany. (Award Winner)
